10th November 2016

We are a Values school - This half term's value is: Compassion.
Please see our website for Home/ school values based activities!

Dear Parents,

Sunday's service in church: You will be aware that this Sunday is Remembrance Day and, as a school we try to support this by attending our local village service. So, our Class 2/3 children have been learning a hymn to sing on the day and they will also be presenting both a school and Class 2 wreath. I understand that many of our children will already be attending with Cubs, Beavers, Brownies etc but would be very grateful if any other children were able to join us too. We will be gathering in the square at 10.45am for the walk down to the church. Refreshments are available afterwards and it is always a lovely, moving service-and will be Nick and Jen's final one.

Poppy Appeal: Poppies are still available from school for a donation to: "The Royal British Legion". In addition to the poppy, we also have various coloured wristbands and poppy reflectors available for a suggested donation of 50p and friendship bracelets and "slap" bracelets/rulers for £1.

BSA Disco tonight: Just a reminder that it's the BSA disco tonight and everyone is welcome. This year, there will be a separate parent's room with tea and coffee served for a small donation. This enables parents to hopefully relax while their little ones dance and have fun. It also allows the corridors to be less congested so the children can access the toilets and cake/ sweets tables more safely.

Operation Christmas Child: An information leaflet has been given to the children today about the shoe box appeal. If you would like to support this annual appeal, shoeboxes filled with gifts for children should be brought to school before Thursday 17th November.

Christmas Cards: The BSA is raising money by selling Christmas cards your children have designed. You should have received a sample card and order form. Please return any orders to school by Friday 11th November. Cheques should be made payable to Broughton School Association. Thank you.

Tree Giveaway: To help create woodlands for future generations, The Woodland Trust has sent free trees, with a growing kit to schools. If you are able to offer a tree a good place to grow, please collect a sampling or two from Mr Knaggs. Come on; let's help to protect our trees!

Rocket Car Project: Over the last few weeks Class 2 have been enjoying designing and building rocket cars with STEM ambassadors from Sellafield. The winning car, judged by the children themselves, was created by the "Fire Flash" team - Lexie, Aimee, Fletcher, Lydia, Dexter and Ana. "Fire Flash" will go on to represent our school at "The Little Big Bang" event at Millom School next week.

Class 3 Residential Meeting: We are in the process of organising an information meeting with Fussell's Travel Services to tell you more about our London Residential visit next year. More details to follow.

NSPCC Assembly and Year 5/6 workshop: As part of their *Speak out Stay safe* programme, we will be working with the NSPCC to make sure our pupils have a knowledge and understanding they need to stay safe from abuse. A letter with further details will be sent next week to give more details about their visit on 24th November, 2016.
