## Summer Term Newsletter 30 11<sup>th</sup> May 2017

**We are a Values school - This half term's value is: Truthfulness.**  
**Please see our website for Home/ school values based activities!**

Dear Parents,

**Family Night at the Victory Hall:** As you are aware, to raise some funds towards their forthcoming residential trip, Class 3 have organised a family fun night at the Victory Hall; it's **TOMORROW**, Friday, 12<sup>th</sup> May from 6.30-9.30pm. All welcome! There will be a disco, a bar and various other refreshments on offer. Please note that as this is a family, community event we hope that parents can join us too. **However, just a reminder that school staff will be busy serving you so children should not be dropped off unaccompanied. Subsequently, please ensure that there will always be an appropriate, designated adult on the premises with responsibility for your child.** Tickets are now on sale at school and a slip should have been received last week. You can also buy on the night. Please come and join us-it will be fun!

**SATs week:** KS1 and KS2 SATs have been taking part this week, including having a visit from a very official LA moderator! All our children have been fantastic, remaining calm and just doing their best. We are all so very proud of them all.
