## Summer Term Newsletter 28 11<sup>th</sup> May 2018

**We are a Values school - This half term's value is: **Service**.  
Please see our website for Home/school values based activities!**

Dear Parents,

**Please note there will be no Praise Assembly next week 18<sup>th</sup> May.**

**Year 6 SATs week and Chill out Breakfast Club:** Next week, Year 6 will be taking their end of Key stage 2 SATs. Mr. Livesey and I will be running a breakfast chill club for our Year 6's from Monday to Thursday from 8.00am to help them remain calm, relax with friends and to reassure them that their best is always good enough for us. There will be no charge for this.

**BSA School Gala:** The BSA are excited to announce the date of the annual Summer Gala! Friday, 22<sup>nd</sup> June 2018, 5 – 7pm. The fancy dress theme will be 'Ambitions: when I grow up!' – Children can dress up as what they want to be when they grow up, real or fantasy. As you know, this is a fun event for all the family and there a few things we need help with to make it a great evening! As always, we need help with setting up and clearing away, some help with stalls and donations of raffle prizes and cakes, scones and biscuits (they don't need to be homemade!) Please keep an eye on the BSA Facebook page for up to date announcements. You can also message us via the page.

There will be a non-uniform for the children on Wednesday, 20th June- Instead of bringing money, please could they bring donations of bottles (of anything) or chocolate. Thank you!

**Royal Wedding celebrations:** We will be holding a Royal Wedding Garden Party on Friday 18<sup>th</sup> May at 1.30pm. Children are invited to dress up and enjoy the celebrations. Donations of sandwiches, cakes etc. would be gratefully received. Nursery children are also invited.

**Take-over Tuesday:** *Calling all parents, grandparents, carers/guardians* - during environment week this year we are looking for support with activities to enrich the childrens' week by drawing on the skills and expertise of the local community. If you have a skill or a passion that you would like to share with the children, week commencing 25<sup>th</sup> June, please contact Mr Knaggs.

**Dogs in school grounds:** Just a reminder that dogs should not be walked on school grounds due to the health and safety issue associated with both their urine and faeces. Thank you for your support.

**Reflective Garden:** Although we had previously started to develop this area, recently Class 3 have been working with myself to try and get the project back on track and hopefully get it ready for use before the end of the summer. If anyone has any large trough like planters that are surplus, we would love to make use of them in the garden so the children can fill them with flowers and herbs. We will keep you informed of our progress!

**Dates for your diary:**
