Dear Parents,

Hot off the press! We have just been awarded the School Games "Gold Mark". This is the highest level a school can attain for the sport we offer our pupils. We are delighted! Congratulations must go firstly to Dee Gannon, who has championed and inspired in her quest for all children to be involved in lots of different sporting opportunities. This included outside tournaments and affiliation to local clubs. Secondly, our fantastic children and wonderfully supportive parents who have embraced the ethos created and enabled us to start our journey of Sport for all.

Cumbria School Games: Our budding tennis stars did fantastically well! They came 2nd in their group of six and went in to the third and fourth place play off. Sadly, Lady Luck was not on our side but they all still played brilliantly! 4th best in the County is a pretty good boast.

Everyone had a fantastic day, meeting celebrities along the way. From the Channel 4 big hit, 'Concrete Circus' one of the hottest names in urban sports, Keelan Phillips Pro Freestyle BMX Rider, opened the Cumbria School Games by providing an inspiring demonstration. Mrs Gannon has instructed, "Do not try this at home!!" He really was amazing! Also there were: Luke Greenbank – an 18-year-old swimmer from Cockermouth, Team GB athlete, European junior, World junior and Youth Olympic medalist, current British 200m backstroke champion and record holder who marginally missed out on a qualifying time for Rio! He has his sights now firmly set on Tokyo 2020. Luke Reeson; injured soldier, Ironman, Invictus games 5x medalist 2014, 4 x medalist 2016, Breastroke Invictus champion. Wow! Exciting and inspiring for the children. Take a look at our Facebook page for photos. Report by Mrs Gannon.
