

Broughton-in-Furness CE Primary School

Spring Term
Newsletter 17
19th January 2017

We are a Values school - This half term's value is: Perseverance.
Please see our website for Home/ school values based activities!

Dear Parents,

GREAT NEWS!

We are absolutely delighted to let you know that we have been successful in a recent bid we made for some funding to develop our Early Years outdoor space! Works are due to start on 27th February, 2017 and we will keep you informed. Please see below press release this week from the Big Lottery:

LOTTERY FUNDED

“£18.5 million National Lottery funding for community projects across England including £9,850 for Broughton-in-Furness CE Primary School!
This project will create an active play and imagination area on school grounds. This will enable children to become physically active while improving social and communication skills”.

Spanish teaching student: We are pleased to welcome Ms Irene Ruiz de Pascual Isabal, a Spanish teaching student, into our school this week. She will be staying with us for the next 2 months, based in Class 1 but also working with Class 3 on Wednesday afternoons to teach the children some basic Spanish as well as learning more about the country of Spain.

Mrs Warrener-congratulations! We would like to let you know that Mrs Warrener is expecting a baby in July and will therefore be absent on Maternity leave from sometime in June 2017. I am pleased to advise Class 2 parents that I have organised for Ms Georgina Lloyd, a teacher who already works part time with us, to cover this period. I hope this will ensure the children remain in a happy and stable environment with a teacher they are comfortable with. More details will be issued nearer the time.

Extra School Activities:

Breakfast Club	Daily	8-8.50am	£3.00 per session
After School Club	Daily	3.30-6pm	£6.50 per session
Art and Craft Club	Tuesday	3.30-4.30pm	Class 1
Film Club	Wednesday	3.30-4.30pm	Y2-6
Multiskills	Wednesday	3.30-4.30pm	£1 per session

Dates for your diary:

23.01.17- 27.01.17
27.01.17

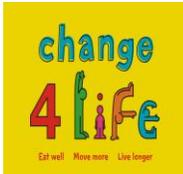

Week 2 Dinner menu
Class 1 visit to Broughton Post Office

Cumbria Safeguarding Hub 0333 240 1727

Broughton Pantomime: This year's pantomime at the Victory Hall is 'The Three Musketeers', and it stars several children from Broughton School. It's a fun, family show with plenty of opportunities to boo the baddies and cheer the goodies. Show times are 7:30pm on Friday 27th and Saturday 28th January, and 2:30pm on Sunday 29th. Tickets are available from the Post Office and Broughton Info Centre, and some will also be available on the door.

New Boys Gymnastics class starting at Millom Recreation Centre: Thursdays 4.30-5.30p.m (age 7 and above) £4 per session. Please ring the Centre and book a trial for a place (774985)

Mrs J Graham-Kevan

Change4Life is Public Health England's response to the relentless rise in obesity. Its consumer campaigns encourage families with children aged 5-11 to eat well, move more and live longer. To promote children's health and wellbeing and help them understand how to keep themselves healthy.

Would you or your family like to be healthier and happier? Would you like loads of ideas, recipes and games to help you do this? Please visit the website for more information: www.nhs.uk/change4life

Did you know...that being active in all sorts of ways is really good for you? Not only will it help make your body healthier but will also help to make you feel good too. Having strong bones, a healthy heart and a big smile will all help you to lead a happy life and do well in your class and lessons.

Did you know...that you should try to do at least 60 minutes of activity several times a day? This doesn't have to be all in one go. You can do it in shorter amounts. But this activity does need to make your heart beat faster and will probably make you feel warmer and go a little pink in the cheeks. Next time you are playing, see if you can notice any of this happening - it's doing you good!

Did you know...that your body is like a car engine? It's really important that the fuel (food and drink) you put into your body is the best. Eating healthy food which is low in salt, low in fat is a great start. Making sure you get your 5 fruit and veg a day and drinking plenty of water is really important. It all helps to make your body and brain work the best it can.

Did you know...there are all sorts of fun activities you can do? There's a lot happening for you to try at home, at school or around where you live. These activities may include playing in the garden or park or playing with friends at break or lunchtime. You might also have after school activities at your school or at local sports clubs.

Did you know...that trying to sit less is as good for you as moving more? As well as trying to move more, it's also really important that you try to reduce the amount of time spent sitting down so that you keep your body healthy. This doesn't mean you need to stand during classes, but you can try simple ways by standing at the bus stop, when watching TV or playing video games.
