

# Broughton-in-Furness CE Primary School

Spring Term  
**Newsletter 22**  
1<sup>st</sup> March 2018

**We are a Values school - This half term's value is: Humility.**  
**Please see our website for Home/ school values based activities!**

Dear Parents,

**Snow Day!** We hope it wasn't too disruptive being closed yesterday. Heavy snowfall and conditions made safety an issue, both for staff and our children getting in. We hope you were able to enjoy the snow! Just a reminder that any further bad weather closures will be notified to Radio Cumbria, The Bay and Lakeland Radio, who will hopefully announce these as well as displaying on their websites. The information will also be held on Cumbria County Council School closures page. We will also put a message on our school Facebook page and Dojo all parents.

**Book Week:** Today was World Book Day and as always the children (and staff) enjoyed dressing up as their favourite book characters! Photos will be posted to our Facebook page. Well done to all our pupils who each read their poem for their class this week. 3 finalists have now been chosen to perform before the judges, our children and their parents. If your child is in the final you will receive an invite for Friday morning.

**World Book Day:** £1 Book Tokens have been sent home with children today.

**Caught Reading:** Have you caught your child exploring a favourite book, reading the newspaper or just generally enjoying the wonder of words? Remember to keep catching them reading and post directly to our Facebook page. We love seeing them!

**Gymnastics:** Following a fabulous performance by our team of Year 1 gymnasts on Tuesday, they have qualified for the next stage and will represent Broughton School in the final later this month. Well done!

**British Science Week 12<sup>th</sup> March:** The week after next is National Science week and as usual we will be organising fun, practical, science focused activities for all the classes. A massive thank you to those parents who are able to join us to support our activities with their science expertise. There will also be the usual whole school challenge, where all children work in mixed aged groups to support and enjoy a science investigation. We will let you know how we get on!

**Cumbria Safeguarding Hub 0333 240 1727**

### **St Mary Magdalene, Family Service – 4<sup>th</sup> March**

There will be a "Follow Me" service this Sunday at 11am, which is about something that made Jesus very cross! Come and discover what it was. The choir will also be singing, which we are looking forward to, and there will be the usual lunch afterwards, for any who wish to stay.

**Kepplewray** would like to point out that both their tuna and egg sandwiches contain mayonnaise. Please let school know if this affects any of your child's menu choices.

### **Dates for your diary:**

05.03.18-09.03.18	Week 4 Dinner menu
12-16.03.18	Science Week
