Summer Reading Challenge: Animal Agents is the theme of this year's Summer Reading Challenge. This national activity takes place every year during the summer holidays. Children can sign up at any library in Cumbria to take part, and then read six library books of their choice to complete the Challenge. This summer there's something peculiar happening at the local library - and that's where the Animal Agents come in!

Daisy the rabbit asks children taking part in the Challenge to help the Animal Agents crack the case, by collecting clues in the form of stickers. As well as revealing the clues, each sticker sheet contains a code; the codes can be entered online at animal-agents.org.uk to unlock extra surprises. Children taking part in the Challenge in Cumbria will also get extra incentives as they read the books, including a certificate once the challenge is completed.

Children can sign up for the challenge from Saturday 15th July, and it runs until Saturday 9th September. Look out for exciting activities in the libraries during the holidays, including appearances by real animals. It's all FREE to take part!
