Summer Term Newsletter 27 5th May 2016

Dear Parents,

Early Years Outdoor Area: We would like to develop our Early Years Outdoor Area and would appreciate your help! Do you have any surplus garden supplies which we could use? For example: garden trellis, containers, fabric/sheeting for dens, large crates for imaginative play, old pots and pans etc. Mr Knaggs would be happy to explain further so please get in touch as soon as possible. Many thanks.

Reflective garden: We are delighted to inform you that we have started to design and plan our very own garden of reflection within our school grounds. Class 3 are leading the project as part of their RE curriculum but it will be contributed to by the whole school community. However, although we are really enthusiastic, we are not gardeners or architects so would really value any community help we can muster! If you think you could volunteer some time or expertise, please get in touch. We will keep you informed as the garden evolves!

Year 2 SATs meeting: Mr Knaggs would like to organise a short meeting for his Year 2 parents to advise and answer any concerns they may have about the Key stage 1 SATs to be taken later this month. A slip has been sent out to parents today.

Year 6 SATs week: Next week, Year 6 will be taking their end of Key stage 2 SATs. We will be running a breakfast chill club for our Year 6's every morning from 8.00am to help them remain calm, relax with friends and to reassure them that their best is always good enough for us.
