Summer Term Newsletter 35 7th July 2016

**We are a Values school - This half term's value is: Trust.
Please see our website for Home/ school values based activities!**

Dear Parents,

Cyclewise: Cyclewise training will commence on **Tuesday 12th July** for children in Class 3. Bicycles can be brought into school on Tuesday and left in school if necessary until Friday. Thank you to the parents who have offered to help during the week, a slip has been sent home to confirm the time we would like your help, please let us know as soon as possible if the allocated time is not convenient.

Prayer Space: We will be running a Prayer Space in school next week, set up in 3 tents which will be erected on the school field. It will be run by the local church and the theme will be "THANK YOU", "SORRY, and "PLEASE". On Monday each class will experience a lesson in the Prayer Space as part of the RE curriculum. If anyone would like to know more have a chat to Mrs Leighton and please feel free to look in the tents yourself to see what the children will be doing.

What is Prayer Spaces in Schools? Children and young people are innately curious about life. Growing up raises lots of questions, some to do with their experience, both the good and the bad, and some to do with their sense of wonder at the universe we live in and whether there's more to life than meets the eye. Many have an interest in the non-material aspects of life, the spirit or soul, and want to explore how these ideas and experiences help them to develop their own sense of identity, self-worth, personal insight, meaning and purpose.

Prayer Spaces in Schools enable children and young people, of all faiths and none, to explore these life questions, spirituality and faith in a safe, creative and interactive way. Taking a broadly Christian perspective as a starting point, prayer spaces give children and young people an opportunity to develop skills of personal reflection and to explore prayer in an open, inclusive and safe environment. The approach purposely allows pupils to make their own meaning and to draw their own conclusions.
