Summer Term Newsletter 31 8th June 2018

We are a Values school - This half term's value is: Responsibility.
Please see our website for Home/school values based activities!

Dear Parents,

Sun hats, sun screen, PE kits and the lovely weather! Can parents send a sun hat or cap into school with their child for the rest of term please. Hopefully the weather will continue to be glorious and we will be trying to take the children out as often as possible. Additionally, please apply any sun screen to children before school or send with them if it can be applied by them. If your child is unable to put their own sun screen on, please discuss this with their Class teacher to ensure they remain protected.

Please can you also ensure your child has a **PE kit in school daily** during this term. Thank you.

Save the Day-Our School production: After the fantastic success of our previous outdoor summer plays-Alice in Wonderland and Greece goes to pieces, we would like you to please save the date of this summer's production. It will be performed at 6pm on Wednesday, 13th June, 2018 (next week), within our school grounds (weather permitting!). We would like to ask for a £2.50 entry, which will include refreshments. Any monies raised will go towards the Class 3 residential.

Cricket coaching: We are pleased to tell you that our children will all be taking part in specialist cricket coaching for the next 6 weeks. This will be held on Friday afternoons. There will also be a Cricket Afterschool Club, from straight after Praise Assembly until 4.30pm, this is only for those in Class 2 or 3 who have signed and returned a permission slip.

Nursery transition: It was lovely to welcome the nursery children yesterday for their first transition afternoon. They really enjoyed exploring our Forest Schools area and taking part in lots of fun activities. Well done to Class 1 for being super hosts and looking after them so well.

GDPR: We have now updated our Privacy notice and a copy of this has been sent to you with the newsletter, it will also be available to view on our website from this evening.

Staffing for September: We are in the process of finalising staffing for September and I will notify parents as soon as this has been done. We are also excited to be making arrangements for our new nursery staff, who will be joining our team after the summer.
